

Pre-Pay Service Plan

The Pre-Pay Service Plan provides the security and convenience of having an existing service contract with A&D Technology along with discounts on labor, parts, and repairs. The plans are based on a total predetermined dollar amount, which can be used as payment towards repairs, spare parts, application development, etc.

Features & Benefits

- The Pre-Pay Service Plan can be used for payment towards:
 - o Hardware repairs
 - o Spare parts
 - o Application or software development
 - o On-site hardware, software, or application support
 - o License purchases, upgrades, or Safety Belt programs
 - o Help Desk Support
 - o Purchase of other A&D service offerings
- The Pre-Pay Service Plan eliminates the inconvenience of opening a new purchase order for every service transaction and provides discounting as detailed below.
- The invoice for the full amount will be issued immediately after order.

Labor Rate Discounts

- 10% off the Standard Rates* for a \$10K Plan
- 20% off the Standard Rates* for a \$15K Plan
- 30% off the Standard Rates* for a \$20K+ Plan

Parts & Repair Discounts

- 10% off any standard** hardware part
- 10% off any standard** repair

**Note: The discounts only apply to standard parts and repairs. The discount does not apply to software licenses, upgrades, or Safety Belt programs.

Terms & Conditions

- Pre-Pay Service Plans are only available in \$5K increments starting at a minimum of \$10K.
- The Pre-Pay Service Plan is good for one year from the date of order acceptance.
- Services must be scheduled prior to the expiration of the plan and delivered within 60 days of the expiration date.
- Parts must be ordered prior to the expiration of the plan.
- The plan may not be used to pay for any previously existing orders.
- All funds must be used before the expiration of the plan, or the remaining is forfeited.
- Remaining funds may be transferred to a renewal plan if renewed before the plan expires.
- Labor Rate Discounts are based on the current plan only.

Flex-Pay Service Plan

The Flex Pay Service Plan provides the security and convenience of having an existing service contract with A&D Technology without the need for any payment upfront. The plans are based on a total predetermined dollar amount, which can be used as payment towards repairs, spare parts, application development, etc.

Features & Benefits

- The Flex Pay Service Plan can be used for payment towards:
 - o Hardware repairs
 - o Spare parts
 - o Application or software development
 - o On-site hardware, software, or application support
 - o License purchases, upgrades, or Safety Belt programs
 - o Help Desk Support
 - o Purchase of other A&D service offerings
- The Flex Pay Service Plan eliminates the inconvenience of opening a new purchase order for every service transaction.
- A one-year open purchase order is generated, with no upfront payment required.
- Invoices are not issued until the service or purchase has been completed.
